Dear Energy Vendor,

The Rhode Island Infrastructure Bank (RIIB) and the Rhode Island Office of Energy Resources (OER) recently launched the Efficient Buildings Fund (EBF) to assist municipalities, school districts and quasi-public agencies in reducing energy costs. The EBF will provide low-cost financing for energy efficiency and renewable energy projects at public facilities.

An informational session for energy vendors will be held on **Friday, January 8th from 11:00-12:30 PM at CommerceRI in the Narragansett Room**. CommerceRI is located at 315 Iron Horse Way, Providence, RI 02908. Free parking is available in the main parking lot on Valley Street.

RSVP IS REQUIRED. To RSVP, please contact Rachel Sholly at rachel.sholly@energy.ri.gov.

Thank you,

EBF Planning Team
